

# CIRCULAR

Indoor

Circular is a high-performance circular LED luminaire for professional indoor environments requiring uniform illumination and operational reliability. Its circular form enables balanced, glare-controlled light distribution, making it suitable for offices, public facilities and commercial spaces.

The low-profile housing with diffuse light emission ensures homogeneous illumination. Pendant, surface-mounted and recessed installation options provide flexibility for different ceiling types and project requirements.

Designed for long-term operation, Circular delivers reliable performance and high luminous output for large indoor lighting applications requiring consistent light quality and efficient space illumination.

## Options and Extras:

- Body color options: satin-finish white
- Neutral White and Warm White light options
- Available in ring and solid disc form
- Mounting options: pendant, ceiling-mounted and recessed

The Circular luminaire is available in solid disk and ring forms. Multiple diameters and power level options allow adaptation to different ceiling heights and indoor lighting requirements.

**CRI > 80**

### Circular Ring

<b>Form</b>	Open circular ring		
<b>Mounting</b>	Pendant		
<b>Model</b>	CR600	CR900	CR1200
<b>Power (W)</b>	20 W	30 W	45 W
<b>Luminous flux (Lm)</b>	2 200	3 300	4 950
<b>Diameter mm</b>	600	900	1 200

### Circular Disc

<b>Form</b>	Solid circular disc			
<b>Mounting</b>	Pendant / Ceiling mounted / Recessed			
<b>Model</b>	CD600	CD900	CD120	CD1500
<b>Power (W)</b>	53 W	132 W	176 W	235 W
<b>Luminous flux (Lm)</b>	5 800	14 500	19 300	25 8 00
<b>Diameter mm</b>	600	900	1 200	1 500
