ENDLESS

Office

Endless is a modular linear LED lighting system developed for professional indoor applications requiring continuous illumination and flexible configuration. The system enables uniform linear lighting solutions suitable for offices, commercial premises and large indoor environments.

Endless offers multiple mounting options and light distributions, allowing adaptation to different installation and functional requirements. Its modular construction supports customization of length, light output and color characteristics to meet specific project needs.

With controlled glare, uniform light distribution and long service life, Endless provides a reliable and adaptable solution for professional indoor lighting applications requiring consistent performance and operational flexibility.

Options and Extras:

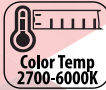

- Customizable lengths and configurations
- Emergency lighting option 3 hours/ Self test
- Tunable White option
- Body color options: white, black or custom
- Lense variety – prism, opal, directional
- Mounting options: surface, recessed, pendant and wall-mounted

Made in Bulgaria

Technical Specifications

Length (L= mm)	290	570	1 130	1 410	1 690	1 970
Dimensions	All models are 50 mm wide and 70 mm high					
Weight (kg)	1.0	1.5	2.5	3.0	3.5	4.0
Power Supply	230 V AC/ PFC>90					

Direct light

Output Power	6 W	12 W	24 W	30 W	36 W	42 W
Light Output (Lm) Opal Lens	1 000	2 000	4 080	5 100	6 120	7 100
Light Output (Lm) Prism Lens	950	1 920	3 800	4 800	5 750	6 700
Input power	7 W	14 W	28 W	36 W	42 W	49 W

Direct and Indirect light

Output Power	12 W	18 W	42 W	54 W	66 W	78 W
Light Output (Lm) Opal Lens	2 000	2 980	6 970	8 960	10 950	12 900
Light Output (Lm) Prism Lens	1 920	2 880	6 720	8 640	10 560	12 480
Input power	14 W	22 W	50 W	63 W	72 W	91 W
